FACULTY SCHOLARSHIP AND RESEARCH ACHIEVEMENT AWARD

The Faculty Scholarship and Research Achievement Award recognizes the outstanding contributions a member of the SASB faculty made to their field of study through scholarship and research. Types of achievements that would be considered for this award include, but are not limited to awards or recognition from one's field of study, an academic organization, a prize for scholarship or research, receipt of a major grant, publication of an academic work, and ongoing research collaborations with students.

Michael Collyer, Ph.D., associate professor of biology and director, MS in Biology program

FACULTY TEACHING RECOGNITION AWARD

The Faculty Teaching Recognition Award recognizes excellence in teaching by a SASB faculty member. Types of achievements within teaching that would be considered for this award include, but are not limited to significant contributions and innovations regarding teaching methods and course design with a focus on student learning outcomes.

Carrie Tippen, Ph.D., assistant professor of English

STAFF SERVICE AWARD

The Staff Service Award recognizes a staff member in the SASB for their significant contributions and dedication to the continued success of SASB.

Elizabeth Benson, program assistant, interior architecture/immersive media programs
